- Warm white light
- Compatible with all dimmers
- Long operating life of up to 20 years

### **Special characteristics**

- click!FIX system for easy installation
- Adjustable spot head
- Suitable for wall and ceiling installation

**PHILIPS**

# Highlights

## High quality LED light

The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

## Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

## Adjustable spot head

Direct the light where you want it most by simply adjusting, rotating or tilting the spot head of the lamp.

## Compatible with all dimmers

This Philips LED light includes the latest LED technology, working with almost all dimmers. Simply use your current dimmer, or any dimmer you want!

## Easy to mount - click!FIX

This LED light makes use of click!FIX, a new and revolutionary mounting system, patented by Philips. With click!FIX you can easily mount your light in 4 simple steps. It's easy and quick!

## Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

## Long operating life

A light source you can trust. The integrated LEDs used in this Philips LED lamp will last up to 20,000 hours (which equals 20 years on the basis of an average use of 3 hours/day with at least 13,000 on/off switching cycles). It feels so good to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambience in your home.

## Wall and ceiling installation

Install this lamp as a wall light or ceiling light, just the way you like it.

# Specifications

## Design and finishing

- Material: metal
- Colour: white

## Extra feature/accessory incl.

- compatible with all dimmers
- LED integrated
- Defined light beams
- click!FIX mounting
- Adjustable spot head

## Product dimensions and weight

- Height: 14.9 cm
- Length: 100.6 cm
- Width: 16 cm
- Net weight: 1.320 kg

## Technical specifications

- Mains power: Range 220 V–240 V, 50-60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 4
- Wattage bulb included: 4 W
- Light colour: warm white
- Lamp lifetime up to: 20,000 hrs

- Beam angle: 50°
- Total lumen output fixture: 1120 lm
- Fixture dimmable
- LED
- Built-in LED
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: I - earthed
- Light source equivalent to traditional bulb of: 54 W

## Service

- Warranty: 2 year(s)

## Packaging dimensions and weight

- Height: 59.8 cm
- Length: 16.3 cm
- Width: 13.3 cm
- Weight: 1.570 kg

## Miscellaneous

- Especially designed for: Living Room and Bedroom
- Style: Modern
- Type: Spot light
