Freshen up with beautiful natural light

With a hot name and cool looks, Philips myBathroom Thermal recessed spot light defines style. Rated IP44 for moisture resistance, this lamp filters the brilliant light into an even, skin-tone accurate glow while illuminating the room.

Designed for your bathroom

- True skin color with high quality light
- IP44, perfectly suited for your bathroom

Sustainable light solutions

- Energy saving
- Warm white light
- Always a Philips bulb included
- Adjustable light intensity with dimmer switch
- The perfect light beam for accent lighting

PHILIPS

Repere

True skin color

This Philips bathroom light makes colors reflect in a natural and accurate way. Just the way the sun would do.

Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Accent lighting

This Philips spot light has the perfect light beam for accent lighting. With bundled light you can emphasize any detail or feature in your interior.

Always a Philips bulb included

High quality Philips EcoHalo energy efficient light bulbs are included in the box to achieve the best light effect.

Dimmable

Adjust the light intensity of this Philips light with a dimmer switch (not included). This

makes this light ideal for highlighting a feature or creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room.

Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

IP44 - bathroom safe

This Philips bathroom light is especially designed for humid environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This bathroom light is designed with IP44: it is protected against splashing water, this product is most common and ideal for bathroom use.

Specificații

Design and finishing

- Material: metal, glass
- Color: matt chrome

Product dimensions & weight

- Length: 10.5 cm
- Width: 10.5 cm
- Net weight: 0.378 kg
- Recessed distance: 15 cm
- Cut out length: 9.0 cm
- Cut out width: 9.0 cm

Technical specifications

- Mains power: Range 220 V - 240 V, 50-60 Hz
- Bulb technology: halogen, 230 V
- Number of bulbs: 1
- Fitting/cap: GU10
- Wattage bulb included: 35 W
- Maximum wattage replacement bulb: 35 W
- Light color: warm white
- Lamp lifetime up to: 2,000 hrs
- Beam angle: 30°
- Fixture dimmable: Yes

- LED: No
- Built in LED: NO
