Decorate your home with light

Like a rising moon, Philips myLiving Jiu's opal glass globe traces an arc to its top, casting its uniform glow onto your living room. Standing on a quality nickel base, the luminaire can be set to different intensities.

Sustainable light solutions

- Energy saving
- Warm white light
- Always a Philips bulb included

Special characteristics

- Dimmer on article

PHILIPS

Floor lamp
Jiu matt chrome

Highlights

Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Always a Philips bulb included

High quality Philips light bulbs are included in the box to achieve the best light effect.

Dimmer on article

A dimmer is provided on the lamp itself, allowing you to simply adjust the light the way you want it to.

Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.
