For Star Wars fans

This Philips and Star Wars light for your bedroom creates an environment which encourages you to indulge into adventurous and epic adventures. A place where you can study, relax and sleep accompanied by your favorite Star Wars character. This light is designed to be safe for you.

Reassures you at night

This light for your bedroom is the perfect night light which makes you feel safe. Since it is battery operated, it can be placed at the desired location. Therefore, it is the ideal orientation light.

High quality LED light

The LED technology, integrated into this Philips lamp, is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your home.

Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lights with a low Kelvin value produce a warm, more cozy light, while those with a higher Kelvin value produce a cool, more energizing light. This light offers warm white light for a cozy atmosphere.

Push to switch on or off

Simply push the light to turn it on or off. The light will automatically switch off after 15 minutes to save battery lifetime.

Battery operated - 2 x AAA

This light works on 2 AAA batteries. All batteries of this size will work. Do not mix different types of batteries; always use the same type. The batteries are not included in the box.
